

## Equipments summer packages (two days with horse, feel good on horseback)

When we ride we have saddle bags on the horses where you can put the stuff you need for the day. Think about that it can be cold and windy, it's better to have too much than to little clothes with you. Bedlinen and towel you don't need to take with you.

Equipments:

Raincoat/long raincoat and rain trousers (you can borrow from us)

Rubber boots/waterproof boots (long legs, comfortable to walk in) with thick socks (you can borrow from us)

Riding hat (you can borrow from us)

Robust, comfortable, windproof jacket

Riding trousers/other comfortable trousers

Warm sweaters, it can be cold and windy, wool is warmest

Cap, scarf, gloves, socks

Long sleeved underwear, wool is warmest

Long underpants, wool is warmest
